2025 BUDGET

STATE OF LOUISIANA
ABBEVILLE, LOUISIANA

BUDGET MESSAGE
AND
NARRATIVE

Members of the Police Jury:

I submit to you the Budget for the fiscal year 2025, beginning January 1, 2025. This budget represents a continuation of service levels and reflects expenditures budgeted within anticipated revenues for 2025 and balances of 2024: \$63,844,134 of balance and \$34,348,862 of revenue for a total of \$98,192,996, with a total anticipated 2025 budget disbursement of \$32,262,569 and a \$0 interfund transfer, which will end 2025 with an anticipated balance of \$65,930,427.

The Jury carefully reviewed the 2025 budget in order to line up as close to the expected revenues for 2025. Careful monitoring will enable projects that are on the shelf to perhaps be put forward if revenues increase.

The Police Jury will pursue avenues of funding to assist in the expansion of water and fire protection services, along with other programs that promote quality of life opportunities for Vermilion Parish citizens.

The Police Jury continues to work with local, State and Federal agencies to obtain grants along with sharing the cost of projects through mutual aid or cooperative agreements.

The 2025 budget will present opportunities. As your Parish Administrator, the proposed budget offers a challenge after its adoption. Providing the best services for the least cost equals efficient government service, the mandate of the people of Vermilion Parish. I urge good fiscal management by both the Jury and myself.

May the upcoming holiday season provide a joyous, family filled and prosperous 2025.
